Welcome to the Kingdom of King Ludwig II of Bavaria

Many special tours are offered throughout the season to Ludwig's castles or also Ludwig Museum will be possible. I will show you his many castles and beautiful parks that are deep in the Bavarian Alps. **Johns Bavarian Tours is offering you a very unusual combination of tours** concerning this talented man's accomplishments here in Bavaria.

Bavaria has many hidden and charming places to visit off the beaten track. There are also many back doors to the more frequently visited places, from which I hold a key. Custom tours are always possible according to your personal interests and wishes. Offered are individually planned **Exclusive Day Trips & Tours to all of Munich's and Bavaria's** famous and unknown points of interest.

Johns Bavarian Tours welcomes you to Munich & Bavaria. We have the perfect tour for your vacation enjoyment!

All our traveling takes place in a comfortable van whether we go to famous historical sites, the Oktoberfest Ground, BMW Welt & Museum, Nymphenburg Palace or the Munich Olympic grounds just to name a few of Munich's hundreds of in-town top attractions ... not to mention hundreds of other hidden attractions in the City and the surrounding Bavarian countryside.

I am an American who has been living in Munich since 1978. Munich's fascinating history and distinct cultural lifestyle played no small part in convincing me this was the place I wished to call home.

I now take great pleasure in sharing with my guests that which has held me here so many years, along with the knowledge and experience I have gained.

Please visit my homepage for more details, tour offers and help me by filling out my contact form.
